MESSAGE FROM THE PLT

Unit of Inquiry 2 was full of events that brought together all the many parts of our Silver Fern community: International Day, a somber Halloween, Loy Krathong, and Taking Action week. Accordingly, in this second volume of "Tales of the Dragons," we turn the entire issue over to the stakeholders in our school community: students, teachers, parents. The many voices found in this volume represent the best of what Silver Fern brings to Roi Et, Thailand, and the world each and every day. Thank you for reading!

Sincerely,

SFIS PLT
